# EVENT OVERVIEW

## GRAND ALUMNI REUNION & CME ON HEAD AND NECK SURGERY UPDATE

Welcome back to the annual surgical conclave made ebullient with brainstorming talks by the doyens in the field to the latest technologies presented by the young prodigies. And this time we are taking it up a notch...

Get ready to be mesmerised and redefine your concepts in this CME updates on Head and Neck Surgery. But an academic extravaganza is not all that we have in store for you. Surgery was never about how much you could excise, but always about how much you could preserve.

Join us, as we strive to preserve those bonds created in the halls of Medical College Trivandrum and help you relive the best years of your life. A heady concoction of entertainment awaits you. So gear up with your family and friends for this grand alumni meet .

TRISURGE 2025 – it's like nothing you've experienced before and the advantage – you have the best people to experience it with the pioneers in field of head and neck surgery including Dr Anil D'Cruz, Former Director Tata Memorial Hospital, Mumbai.
