4. The Spine board should be used for water rescue, in the mountains, at home or on the road
5. The product should be X-ray, CT, and MRI compatible.
6. It should allow to properly fasten/strap the patient to the spine board to protect against patient movement in any direction (up, down, left, or right).
7. The dimensions of the spine board should be 189X44X8 Centimeters (Length x Breadth x Height)
8. The product should not weigh more than 6.5 Kgs
9. The Spine board should be CE marked.
10. The Spine board should have an operating temperature: -20 °C to +52 °C (-29° F to +126 ° F)
11. It should withstand Humidity (Operating and Storage): 5-90% RH non-condensing.

#### IMMOBILIZATION DEVICE :

12. Should be provided as a single piece, that requires no assembly, the collar should be for patients requiring spinal immobilization with 4 different sizing options
- 13 . Strong quality and molded directions on the back of the collar should be available, which mean that providers will always be able to administer proper sizing and application.
14. The locking mechanism should ensure symmetrical adjustments and give providers the peace of mind the collar is locked safely into place.
15. For pediatric patients there should be a specially sized Pediatric collar with 3 different sizing options. The Pediatric should also be fitted with a pink strap for easy recognition in an EMS bag.
16. Demonstration of equipment is must.
17. The Manufacturer should be ISO and Product should have CE Conformity

NB: The quotation should be provided in the following format.

| Sl No<br>A | Item<br>B | Quantity<br>C | Unit pack size<br>D | Unit rate incl<br>GST<br>E | Total Amount<br>incl GST<br>C x E |
|------------|-----------|---------------|---------------------|----------------------------|-----------------------------------|
|            |           |               |                     |                            |                                   |

Sealed quotations are invited for the supply of the items specified in the schedule attached below / overleaf. The rates quoted should be for delivery of the articles at the place mentioned below the schedule. The necessary superscription, due date for the receipt of quotations, the date up to which the rates will have to remain firm for acceptance and the name and address of officer to whom the quotations is to be sent are noted above. Any quotation received after the time fixed on the due date is liable to be rejected. The maximum period required for delivery of the articles should also be mentioned. Quotations not condition are liable to be rejected.

The acceptance of the Quotations will be subject to the following conditions:

1. Acceptance of the quotation constitutes a concluded contract. Nevertheless, the

successful tenderer must within a fortnight / a month after the acceptance of his quotation furnish 5 percent of the amount of the contract as security deposit and execute an agreement at his own cost for the satisfactory fulfillment of the contract, if so required.

2. Withdrawal from the quotation after it is accepted or failure to supply within a specified time or according to specifications will entail cancellation of the

order and purchases being made at the offerers expenses from elsewhere, any loss incurred thereby being payable by the defaulting party. In such an event the Government reserves also the right to remove the defaulter's name from the list of Government suppliers permanently or for a specified permanently or for a specified number of years.

3. Samples, duly listed, should be forwarded if called for under separate cover and the un approved samples got back as early as possible by the offerers at their own expenses and the Government will in no case be liable for any expenses on account of the value of the samples or their transport charges, etc. In case, the samples are sent by railway; the railway receipt should be sent separately, and not along with the quotation since the quotation will be opened only on the appointed day and demurrage will have to be paid if the railway parcels are not cleared in time. Quotations for the supply of materials tendered for are forwarded. The approved samples may or may not be returned at the discretion of the undersigned. Sample sent by V.P Post or "freight to pay" will not be accepted.

4. No representation for enhancement of price once accepted will be considered during the currency of the contract.

5. Any attempt on the part of tenderers or their agents to influence the Officers concerned in their favour by personal canvassing will disqualify the tenderers.

6. If any license or permit is required, tenderers must specify in their quotation and also state the authority to whom application is to be made.

7. The quotation may be for the entire or part supplies. But the tenderers should be prepared to carry out such portion of the supplies included in their quotation as may be allotted to them.

8. (a) In case where a successful tenderer, after having made partial supplies fails to fulfill the contracts in full, all or any of the materials not supplied may, at the discretion of the Purchasing Officer be purchased by means of another tender / quotation or negotiation or from the next higher tenderer who had offered to supply already and the loss, if any, caused to the Government shall thereby together with such sums as may be fixed by the Government towards damages be recovered from the defaulting tenderer.

(b) Even in cases where no alternate purchase are arranged for the materials not supplied, the proportionate portion of the security deposit based on the cost of the materials not supplied at the rate shown in the tender of the defaulter shall be forfeited and balance alone shall be refunded.

(c) Any sum of money due and payable to the contractor (including Security Deposit returnable to him) under this contract may be appropriated by the Purchasing Officer or Government or any other person authorized by Government and set-off against any claim of the Purchasing Officer or Government for the payment of a sum of money arising out of or under any other contract made by the contractor with the Purchasing Officer or Government or any other person authorized by Government.

9. The prices quoted should be inclusive of all taxes, duties, cesses, etc., which are or may become payable by the contractor under existing or future laws or rules of the country of origin / supply or delivery during the course of execution of the contract.

10. (a) Ordinarily payments will be made only after the supplies are actually verified and taken to stock but in exceptional cases, payments against satisfactory shipping documents including certificates of Insurance will be made up to 90 per cent of the value of

the materials at the discretion of Government. Bank charges incurred in connection with payment against documents through bank will be to the account of the contractor. The firms will produce stamped pre-receipted invoices in all cases where payments (advance/final) for release of railway receipts /shipping documents are made through Banks. In exceptional cases where the stamped receipts of the firms are not received for the payments (in advance) the unstamped receipts of the Bank (i.e counterfoils of pay-in-slips issued by the Bank) alone may be accepted as a valid proof for the payment made.

(b) The tenderers shall quote also the percentage of rebate (discount) offered by them in case the payment is made promptly within fifteen days / within one month of taking delivery of stores.

11. Any sum of money due and payable to the successful tenderer or contractor from Government shall be adjusted against any sum of money due to Government from him under any other contracts.

12. Special conditions, if any, printed on the quotation sheets of the tenderer or attached with the tenderer will not be applicable to the contracts unless they are expressly accepted in writing by the purchase.
